

EXTERIOR

Premium grade stainless steel hand-polished to a mirror finish. Induction compatible

3-PLY BODY

Two premium 18/10 stainless steel outer layers bonded by a pure aluminum center core create what is better known as 3-ply. An optimum culinary surface which thoroughly distributes heat, not only from the bottom but also from the sides of the cookware. Compatible with all induction cook tops and stoves.

COVER

The adjustable close fit cover retains heat, flavors, natural juices, and steam.

INTERIOR

Easy to clean 18/10 stainless steel with a graduated interior in a durable satin finish.

ERGONOMIC HANDLES

Our ergonomic stainless steel handles have been especially designed for maximum confort while staying cool to the touch. This exclusive design was especially designed to suit hands of all sizes and strenghts.
